Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Literacy blocks with no interruptions for Years Prep – Year 2, including utilizing support tutors, aides and leadership team
- Employment of Literacy teacher to support intervention programs including Synthetic Phonics, Toe By Toe and Reading Recovery
- Developed a team approach focused on data, improvement in pedagogy and development of high yield strategies within the Prep – Year 2 cohort
- Critically evaluated literacy programs within the school to ensure the school was providing quality research based programs
- Critically analyzed and tracked data to ensure the success of intervention programs
- Utilized a case management approach to individualize programs for students
- Provided quality professional development for teachers to improve their understanding of the teaching of reading including data conversations, planning days and structured one on one coaching from Head of Curriculum and Literacy Coach.
- Celebrated success stories with the school community and instilled a strong communication network with parents
- Purchased key resources to ensure the sustainability of the intervention programs into 2015.
